July 26, 2017

Dear Eagle Families:

I hope that you are enjoying your summer by spending quality time with family and friends, as well as keeping academic skills sharp through participation in the summer reading program! However, my favorite time of year is quickly approaching: when our students come back to school to learn and grow!

As I begin my first full school year as principal of East Lake Elementary School, I want you to know that my passion is to make a positive difference in the lives of your children. My focus this year is to continue setting high academic expectations for all and providing supportive systems in order to meet them. My team and I will accomplish this through examination of data, reflection of instructional practices, and interventions/extended learning opportunities based upon student needs, as well as ensuring a safe and welcoming environment for students to learn.

Please note that the traffic pattern for drop-off and pick-up has changed. You will find a map with instructions on the back of this letter. We have worked closely this summer with local law enforcement, Osceola County Road and Bridge, and school district staff to ensure the safest entrance and exit to our school for both students and their families.

I look forward to seeing our returning students, as well as new additions to our Eagle family at Open House on August 9, 2017 from 4:00-7:00 pm. This will be an opportunity for you to meet your child's teacher and see our campus.

I welcome you to contact me to discuss your child's progress or ideas to make our school a better place. My e-mail address is delucah@osceola.k12.fl.us. You may also reach me by phone at the school number, which is (407) 943-8450. I am looking forward to working with you and your child as we work toward an academically successful school year.

Educationally Yours,
